

## **Cautions When Using 3D Shape Data**

### **1. Copyright, ownership**

Delta Elektronika retains the copyright and all other rights to this 3D shape data.

### **2. Duplication / distribution prohibition**

This 3D shape data may only be used within your company. It is strictly prohibited to duplicate (including duplication after partial revision) and provide it to outside third parties.

### **3. Limitation of liability**

While Delta Elektronika has taken every precaution to ensure that this site operates properly, the accuracy and utility of these drawings carry no guarantee under law, and Delta Elektronika assumes no legal obligation or liability.

The creator is responsible for checking any drawing created using this 3D shape data (including computer graphics images).

Delta Elektronika assumes no liability for any problems or losses incurred with this 3D shape data, including any damages or financial losses.

### **4. Changes, Deletions, Simplifications**

Note that the contents of this site may be changed or deleted without prior notification.

Part of 3D shape data is simplified.
