

Order codes SM15K series

This document lists all order codes for the [SM15K series](#) and its accessories. When requesting a quote or placing an order, please mention the relevant order code(s). You can order via [contact us](#) or one of our [distributors](#), or request a [free quote on our website](#).

Contents

Order codes SM15K series.....	1
SM15K power supply units	2
Plug-and-play interface modules	2
*Optional network interface inserts for Anybus-carrier module	2
Master/Slave output assembly kits	2
Parallel connection of SM70-CP-450 units	2
Parallel connection of SM210-CP-150, SM500-CP-90, SM1000-CP-45 or SM1500-CP-30 units	3
Series connection of SM500-CP-90 units	3

SM15K power supply units

Order code	Description
SM70-CP-450	Bidirectional and constant power output
SM210-CP-150	Bidirectional and constant power output
SM500-CP-90	Bidirectional and constant power output
SM1000-CP-45	Bidirectional and constant power output
SM1500-CP-30	Bidirectional and constant power output

Plug-and-play interface modules

Order code	Name	Description
INT MOD ANA	Analog programming interface module	Analog programming
INT MOD ANY*	Anybus-carrier interface module	Carrier for HMS Networks Anybus CompactCom 40 inserts
INT MOD CON	Isolated contacts interface module	Isolated relays and interlock
INT MOD DIG	Digital I/O interface module	Digital I/O
INT MOD M/S 2	Master/Slave interface module2(SM6K,15K)	Master/Slave for SM6K and SM15K (series or parallel)
INT MOD SER	Serial programming interface module	Serial programming (RS232, RS485, RS422 and USB)

****Optional network interface inserts for Anybus-carrier module***

Order code	Name	Description
ANY CANOPEN	ANY CANOPEN	Anybus M40 CANopen Insert (AB6613)
ANY ETHMODBUS	ANY ETHMODBUS	Anybus M40 ModbusTCP Insert (AB6603)
ANY ETHIP	ANY ETHIP	Anybus M40 EthernetIP Insert (AB6604)
ANY ETHERCAT	ANY ETHERCAT	Anybus M40 EtherCAT Insert (AB6607)
ANY PROFINET	ANY PROFINET	Anybus M40 PROFINET IRT Insert (AB6605)
ANY PROFIBUS	ANY PROFIBUS	Anybus M40 PROFIBUSDPV1 Insert (AB6600)

Master/Slave output assembly kits

Parallel connection of SM70-CP-450 units

Order code	Name	Description
M/S PAR SET A2	M/S par set A2 (SM70-CP-450)	2 units in parallel
M/S PAR SET A2 CBL	M/S par set A2 2-CBL (SM70-CP-450)	2 units in parallel, 2 thick cables out
M/S PAR SET A3	M/S par set A3 (SM70-CP-450)	3 units in parallel
M/S PAR SET A4	M/S par set A4 (SM70-CP-450)	4 units in parallel
M/S PAR SET A5	M/S par set A5 (SM70-CP-450)	5 units in parallel
M/S PAR SET A6	M/S par set A6 (SM70-CP-450)	6 units in parallel
For 6 – 60 units in parallel, please contact factory for assistance.		6 – 60 units in parallel

Parallel connection of SM210-CP-150, SM500-CP-90, SM1000-CP-45 or SM1500-CP-30 units

Order code	Name	Description
M/S PAR SET C2	M/S par set C2 (SM210-CP,500-CP,1000-CP,1500-CP)	2 units in parallel
M/S PAR SET C3	M/S par set C3 (SM210-CP,500-CP,1000-CP,1500-CP)	3 units in parallel
M/S PAR SET C4	M/S par set C4 (SM210-CP,500-CP,1000-CP,1500-CP)	4 units in parallel
M/S PAR SET C5	M/S par set C5 (SM210-CP,500-CP,1000-CP,1500-CP)	5 units in parallel
M/S PAR SET C6	M/S par set C6 (SM210-CP,500-CP,1000-CP,1500-CP)	6 units in parallel
M/S PAR SET C7	M/S par set C7 (SM210-CP,500-CP,1000-CP,1500-CP)	7 units in parallel
M/S PAR SET C8	M/S par set C8 (SM210-CP,500-CP,1000-CP,1500-CP)	8 units in parallel
M/S PAR SET C9	M/S par set C9 (SM210-CP,500-CP,1000-CP,1500-CP)	9 units in parallel
M/S PAR SET C10	M/S par set C10 (SM210-CP,500-CP,1000-CP,1500-CP)	10 units in parallel
M/S PAR SET C11	M/S par set C11 (SM210-CP,500-CP,1000-CP,1500-CP)	11 units in parallel
M/S PAR SET C12	M/S par set C12 (SM210-CP,500-CP,1000-CP,1500-CP)	12 units in parallel
For 12 – 60 units in parallel, please contact factory for assistance.		12 – 60 units in parallel

Series connection of SM500-CP-90 units

Order code	Name	Description
M/S SER SET BA	M/S SER SET BA (SM500-CP-90)	2 units in series, base-kit
M/S SER SET BB	M/S SER SET BB (SM500-CP-90)	3 units in series, stackable up to 6, extension-kit
