

Order codes SM6K series

This document lists all order codes for the [SM6K series](#) and its accessories. When requesting a quote or placing an order, please mention the relevant order code(s). You can order via [contact us](#) or one of our [distributors](#), or request a [free quote on our website](#).

Contents

Order codes SM6K series.....	1
SM6K power supply units.....	2
Plug-and-play interface modules	2
*Optional network interface inserts for Anybus-carrier module	2

SM6K power supply units

Order code	Description
SM40-CP-450	Bidirectional and constant power output
SM75-CP-250	Bidirectional and constant power output
SM330-CP-55	Bidirectional and constant power output
SM1000-CP-18	Bidirectional and constant power output

Plug-and-play interface modules

Order code	Name	Description
INT MOD ANA	Analog programming interface module	Analog programming
INT MOD ANY*	Anybus-carrier interface module	Carrier for HMS Networks Anybus CompactCom 40 inserts
INT MOD CON	Isolated contacts interface module	Isolated relays and interlock
INT MOD DIG	Digital I/O interface module	Digital I/O
INT MOD M/S 2	Master/Slave interface module2(SM6K,15K)	Master/Slave for SM6K and SM15K (series or parallel)
INT MOD SER	Serial programming interface module	Serial programming (RS232, RS485, RS422 and USB)

****Optional network interface inserts for Anybus-carrier module***

Order code	Name	Description
ANY CANOPEN	ANY CANOPEN	Anybus M40 CANOpen Insert (AB6613)
ANY ETHMODBUS	ANY ETHMODBUS	Anybus M40 ModbusTCP Insert (AB6603)
ANY ETHIP	ANY ETHIP	Anybus M40 EthernetIP Insert (AB6604)
ANY ETHERCAT	ANY ETHERCAT	Anybus M40 EtherCAT Insert (AB6607)
ANY PROFINET	ANY PROFINET	Anybus M40 PROFINET IRT Insert (AB6605)
ANY PROFIBUS	ANY PROFIBUS	Anybus M40 PROFIBUSDPV1 Insert (AB6600)
