

REACH Certificate of Compliance

Delta Elektronika B.V. hereby declares that all its products comply with the legal obligations regarding Article 33 of the European Union REACH Regulation 1907/2006, which came into force on the 1st of June 2007.

Delta Elektronika B.V. is a manufacturer of Power Supplies. We are therefore considered a downstream user. The products that we supply are non-chemical and under normal and reasonable use, they will not release harmful substances. Delta Elektronika B.V. is therefore not obligated to register with the European Agency for Chemicals (ECHA). Based on the actual information from our suppliers we can confirm that all our products do not contain any of the substances specified in the ECHA candidate list Substances of Very High Concern (SVHC) with a concentration of more than 0.1 % by weight except as noted in the list below.

The current list of SVHC candidates was last updated by ECHA on February 4th, 2026, and includes 253 substances. We will continue to monitor the REACH regulation and update our statement when required.

SVHC	CAS number	Inclusion date
Lead (Pb)	7439-92-1	24 th June 2018

Delta Elektronika B.V. products from before the 1st of June 2007 which have been removed from the sales program are excluded from this Certificate of Compliance. Non-compliant products may have been shipped until stocks were exhausted.
